London Academy

London property market
training resorce

The RE/MAX London Academy website is a tailored training resource developed specifically for the London property market.

iList:

Free leads directly to you

At RE/MAX, high-quality leads continually come your way, for free.

Millions of customers around the world start their property search on a RE/MAX web portal – remax.co.uk, remax.com, global.remax.com. Working in conjunction with these sites is iList, a comprehensive lead and customer relationship management system.

This combination results in an average of 100 leads delivered to RE/MAX agents in London every day.

RE/MAX Mainstreet:[®]

THE HUB FOR EVERYTHING RE/MAX

Featuring an array of services and resources, this members-only site provides access to RE/MAX news, logos, events, marketing resources, products and more.

RE/MAX Mainstreet is the portal to the RE/MAX Design Center, RE/MAX University and social media outlets. And it's where RE/MAX agents from around the world gather ideas and exchange referrals (with no corporate interference or fees).
